

Scopes & Sequences

Preschool-Older Elementary

Rock Solid is a comprehensive overview of the Bible for preschoolers through older elementary children, covering the major stories of the Bible over three years. Each week, the children encounter a Bible story, helping them to understand the Scripture and apply it to their daily lives. The outline of Bible stories follows the church year, so children fully experience stories of Christmas, Holy Week, Easter, and Pentecost.

Rock Solid speaks to tweens in language they can relate to and adapts the scope and sequence into two 1-year surveys of the entire Bible. Each yearly survey gives tweens the opportunity for a more in-depth study of some of the stories they've heard in previous years, providing greater insight and perspective into the Bible's big picture and helping them understand the broad overview of the Bible.
