Dentist visits  
11:30 AM

#### *Director's Corner*

Can you believe how fast this year is flying by? Time just passes too quickly when you're having fun!

I wanted to say a quick "thank you" to all the parents for your time at parent/teacher conferences. I would also like to thank my staff for their time during parent/teacher conferences as well. Your children are our number one priority and their progress is just as important to us as it is to you! Working together as parents and teachers is vital to your child's growth! Thank you again for everything! I would like to take a moment to welcome Ms. Kelly Carnahan and Ms. Chris Giesken to our staff here at St. Luke's Pre-

school! You will see Mrs. Carnahan's smiling face in the Ladybug class along with two other smiling faces, Mrs. Yeargin and Mrs. Giesken. Mrs. Giesken will also be in the 2 1/2 year old classroom working with Mrs. McMasters.

I am truly thankful and blessed to have such a wonderful staff! We have such a busy month ahead of us. We have our Valentine Parties scheduled for Monday February 13th and Tuesday, February 14th. I know the children are very excited to exchange their valentines!

We also have a scheduled visit from the dentist this month. Ms.

Courtney will be coming from Dr. Avent and Dr. Huey's office to talk to the children about how important it is to take care of our teeth! She is sure to deliver a wonderful presentation to the children and you are more than welcome to join us!

The staff at St. Luke's would like to wish you all a very special and Happy Valentine's Day!

#### **Registration for 2012-2013**

Many of you have already registered for next year. We still have a few spaces left in every class.

Please continue to spread the word to your friends and neighbors about our program.

Those are the best referrals we can get! Be sure to tell them to read all about us at [www.stlukesyorktown.org](http://www.stlukesyorktown.org) You can also pick up a brochure in my office. We're excited about what we offer and would love to fill every class next year.

#### **Outdoor Time**

Just a reminder — We try to go outside every day. If you feel your child isn't up to playing outside, please keep him/her home. Please send your child to school with a coat, mittens and a hat every day.
