

# Bearly Important News!

February 2012

## February News!!!

February looks like another busy month!! We have so much planned for the Brilliant Bear Class that this month will simply fly by like the past year!! We will be participating in activities that relate to Groundhog Day with our hibernation studies; straight into another week of learning with preparations for our Valentine's Day celebrations. Then it's on to Dental Health week with a visit from a local Dental Hygienist (that date is still to be determined). The final two weeks of the month will consist of learning about our founding Presidents; George Washington and Abraham Lincoln; then we'll finish up the very busy month of February with a week's worth of studying the weather.

We would also like to remind you to please continue to check folders daily!! We will also continue to go outside daily as long as it has not rained or is not bitterly cold. Please be mindful of what they come to school wearing and continue to send them with winter coats, gloves/mittens and hats!! We want our Brilliant Bears to stay warm as possible while enjoying their time outside!

Mrs. Stoufer and I would like to thank you all for your time during conference week! If there is anything we can do for you, please do not hesitate to ask!!! We are looking forward to another fantastic month in the Brilliant Bear classroom!!!

Mrs. Mazzuchi

## Quick Reminders!!
