

What's the Buzz?

February 2012

Happy Valentine's Day!

I would like to begin by thanking all of the parents who came to the parent-teacher conferences last month. Mrs. Giesken and I loved talking to you and sharing all the wonderful things your children are doing. They are such a joy to us every day!

In other news, February will be just as busy as usual. Hibernation Day is on Thursday, Feb. 2. **Please send your child to school in his/her PJs.** You may also send in a small blanket or pillow, if you would like. Mrs. Anderson makes pancakes for us, so **no need to send a lunch in that day. We do ask that you send in a drink, though.**

Our **Valentine's Day party** will be **Tuesday, February 14 at noon.** As usual, all parents are welcome to join us. Please send in valentines for your child to pass out **NO LATER THAN THURSDAY, FEBRUARY 9.** Please do not address them to specific students, since we allow the students to pass them out to their friends.

Have a happy Valentine's Day!

Welcome to the Buzy Bee Classroom!

I am pleased to announce that we have two new members of the Busy Bee classroom!

Mrs. Chris Giesken is the new assistant in our class. She has been subbing for our preschool for a while. I am glad she has chosen to become a more permanent member of our staff!

We also have a new student joining us! Izzy Reandeu has also come to join our classroom. Welcome to both Mrs. Giesken and Izzy!
